

Gala Fixtures

With the summer break approaching we are already looking towards the Gala fixtures from September to Christmas and an updated list is now on the website, so please have a look and make a note in your diaries so your swimmers may be available to enter, as now the times will qualify towards the counties early 2011.

There are 2 Gala's arranged for us to attend in September and we do need the entries back by Friday 23rd July, as Thame Swimming Club then has its 2 week break and the closing date for the entries will fall at the end of the week we return to training so there will be no time to get any other entries in on time.

September Galas

- BBAT meet – Aqua Vale Aylesbury – 19th September
- City of Oxford Club Champs & Invited Clubs – 25th & 26th September & 2nd & 3rd October

These meets are very useful for all Thame swimmers as there are no time standards set at all, so they can enter any event they wish and gives them an opportunity to gain a time in an event that we do not often get chance to swim in our own time trials. To that end I would urge all swimmers to enter some of the longer events that they would not normally do to get a time. With an eligible time they will then be able to qualify for more events at other Gala's where there are time standards imposed. The cost per event at both of these galas is much less than other events we have been to recently as well, which helps.

An entry for the BBAT should have been handed to swimmers in the last week, but if it got too wet or did not get one then an entry form is on the website on the link in the fixtures list.

The City of Oxford entry is on the fixtures list too, so please just print the entry form and complete the events.

Please only provide 1 cheque per gala and make all cheques payable to THAME SWIMMING CLUB.

Tony Collins

Team Manager
Thame Swimming Club
